ADVENTURE

ENTER THE MEGADUNGEON!

When the mysterious lighthouse called Gauntlight glows with baleful light, the people of Otari know it's an ominous prelude to sinister events. The town's newest heroes must explore the ruins around the lighthouse and delve down into the dungeon levels beneath it. Hideous monsters, deadly traps, and vengeful ghosts all await the heroes who dare to enter the sprawling megadungeon called the Abomination Vaults! The Abomination Vaults Adventure Path begins with "Ruins of Gauntlight," a complete adventure for 1st- to 4th-level characters.
