

At the Gates of Hell

Their deception revealed and their plans waylaid, two deadly and Hell-touched siblings make a desperate final play for control of Westcrown. With the city in chaos and its leaders fled, few stand to defend the beleaguered people when the plots of fiends turn upon them. At the same time, the rulers of Cheliax launch their own ruthless plot to retake control. Can the PCs return order and shatter the Council of Thieves' age-old stranglehold on Westcrown once and for all? Or will the former capital slide fully into the grip of a terrible new devilry? It's up to the PCs to decide in the climax of the Council of Thieves Adventure Path!

This volume of *Pathfinder Adventure Path* completes the Council of Thieves Adventure Path, and includes:

- ▶ "The Twice-Damned Prince," a Pathfinder RPG adventure for 11th-level characters, by Brian Cortijo and James Jacobs.
