

STAR WARS

ROLEPLAYING GAME

CHARACTER SHEET 2.0 INSTRUCTIONS

07 JULY 2007 - VERSION 2.0

MAKE THIS SHEET YOUR OWN

This sheet makes use of the layering features available in Acrobat 6 and later. You can turn on or off various layers to customize the look of the sheet to best match your STAR WARS game!

SHEET "RECIPES"

By enabling certain layers while disabling others, you can tweak the overall appearance of the sheet. Here are some ideas to get you started, but you can easily come up with more permutations!

(Note that while this allows you to change the look and feel to mimic earlier editions of the game, this sheet is designed for the Saga Edition ruleset. If you need something compatible with an earlier version of the game, look on my website below.)
